I there, i want to tell you a little story about Romania, i was there with my boyfriend last vacation, so we went into London City Apt airport and we took a plane to Bucharest. We spent one night there and in first hour in the morning was on the train to Brasov...

We stayed here one week, it was a very beautiful travel, visited many beautiful places: Black Church, Peles Castle, Bran Castle and we climbed the mountain by "cable car"

So,if you have the opportunity to visit Romania, move on to Brasov, you'll enjoy for sure!

Romania, in southeast Europe, is rocky in the north while the main quality in the south is the vast Danube valley. I am also confidence about visiting Romania. I was there for 3 months. It's a very gorgeous country with pleasant and friendly people. Be careful but friendly and open hard and I reassure you will not be upset.
