Hi

We have been a Vietnam ambassador to thousands of travelers Worldwide. We pride ourselves as being your guide to experiencing the real Vietnam at your own pace and style.

In this we bring value to you (before, during, and after your trip) as well as, the small local communities we bring you to. HaLong is a very popular destination but its brother - Bai Tu Long bay isn't well-known to many, though it's just next to it. The Red Dragon junks are built in deluxe but small size to help you discover the best of Bai Tu Long...

Thanks

The places you remember in life are the places that seduce you with their heart. They are the places you return to, again and again. Vietnam is such a place for me. It's hard to sum up a land of such diverse pleasures in a few simple words.
